“ Words seem inadequate to convey my condolences on the passing of Mrs. Rosa Lee Ledet, my beloved fourth grade teacher and the mother of my great friend and classmate, Reginald C. Brown, Jr. One must give tribute to those who have impacted one's life, instilling within the importance of getting a good education, developing positive moral character, and humility as worthy attributes needed to succeed in life. Mrs. Ledet embodied the virtues of honesty, knowledge, and integrity as she labored in the field of education and inspired many to reach their full potential by studying to be the best that we can be. My sympathies are also extended to Loretta and my fraternity brother in Kappa Alpha Psi Fraternity, Inc., Mr. Wilbert "Bobby" Ledet, and may the family put their trust in God that all is well with her soul. Rest in peace, Mrs. Ledet, you will be in our memory forever.

Best regards,

“ I send my condolences to the family of Mrs. Ledet. She was my neighbor for many years as well as my elementary school teacher. My fondest memories of her are playing in the backyard and hearing her sing as she worked in her yard or perhaps it was the many days she would gather all of the children from the community and take us with her to church. She created a choir and she taught us to sing many different songs. After church, we would walk home with her and she would hand us each a ziploc bag of candies. Mrs. Ledet was a beautiful soul and I am forever grateful for having the opportunity to have someone so special be a part of my life and contributing to my successes. Heaven truly has an Angel!

Sincerely,
