“ *My this still seems unreal but we all have an appointed time. It appears to me yours came too soon. Gods will will be done. Gerry and Betty my heart aches for you and the rest of the family. You all are such a close group and I know it's hard to lose one, but God will bring you peace and comfort in your time of need. I am going to miss Rose so much. I have so many memories that can't be taken away. I will hold them close to my heart. Rest Rose my prayer is someday we will meet again, and there will be no more pain or suffering. Luv and miss you already. Janice James-Borel*
