“ *Momma Rose was an amazing woman. She was just as beautiful on the inside as she was on the outside.*

She had a way of making everyone feel special and loved!

Momma Rose was the life of the party! I remember her family giving her a surprise birthday party and she literally danced the night away.

I will cherish the memories of our talks and laughs that we shared!

Continuous prayers for her beautiful family.

“ Mom, today February 10th is my birthday of which I've always brought you flowers each year for giving me life. Know that the seeds you've planted in me will continue to grow. Thank you for teaching me integrity, character, and kindness towards others. To be mindful and discerning towards other's needs. Words cannot describe how much you will be missed. I'm certain you're already there in awe of it all, celebrating with my brother Mann with his million dollar smile and my little Isaiah. I'm sure you're showing the angels how to zydeco! We love you mom and "Well Done".
