“ I’m truly going to miss you from the bottom of my heart. My passenger seat princess that didn’t like the care on nor air. Thank you for your life sacrifice to raise my sister and I, the meals, lessons, and the love you gave us. She never said that she loved us, but she always showed us instead. Thanks for coming to all of my events, helping with my business, and being simply you. I will miss your smile, hearing the stories, and updating you about my life. I love you MawMaw.
