To all of you, I know the pain and sorrow of a mother leaving a family, but I believe and have felt the beautiful spirit of a Mother never leaves her Children. Think of all the good times you spent with her, that smile she had. I will always remember the kindness of her offering to share food from her home with me and my family when my husband loss his job. With all the children she had to feed she offered me a chicken to help me feed my family, that was forty years ago, I remember it as it was yesterday. Love you all,
