“ To Vickie, Matthew, and family, I offer you my condolences and prayers. I know at this time it doesn't seem like much, but I know that God will see you all through these tough times. I taught with Rosina at Eunice Elementary for 9 years. It was my first teaching assignment. What a blessing your mom was to me as a mentor, colleague, and friend! There were times I remember crying on her shoulder as a new teacher, but she motivated me and pushed me to do my best. Vickie, she even entrusted you into my care as your 3rd grade teacher. I loved the times she, Arabie, Betty, and I shared at recess duty and the fun times and laughter we had in the teachers' lounge. Your mom was quite a hoot! She was a light to the many students she taught and the lives she touched. Her strength, humor, love of family will be remembered. I am so sorry I didn't keep in communication with her after I moved away, but I would hear about you all occasionally through Smokey Arabie. Your mom was well loved and will be missed. My thoughts and prayers are with you. May God bless you and keep you.

Tribute to Our Mother

*Take your rest Rosena
We've got it from here
We will never be alone
Your spirit's always here*

*You did everything possible
To prepare us for this time
All your affairs in order
Sacrificing so we could shine*

*Never an excuse for failure
Always try and try again
Build character while helping others
It's not about getting the win*

*Above being an accepting friend to all
You were the BEST mother to me
From leaky valves and knee pain
You are finally free*

*You made sure we knew Jesus
Early in our lives
So grateful you understood spiritual warfare
And its unaddressed price*

*We could talk about anything
From Rated G to X
An open relationship so unique
But it was never disrespect*

*Woodwork, laying floors, plumbing
You kept your yard pristine
Fiercely maintaining independence
Was your #1 goal and dream*

*Lil Matt's everything –
Mom, often Dad, & friend
He knows it's only a pause
This is not the end*

*Thank you, Jesus, for an awesomely imperfect mother
Who pleasantly endured longsuffering during her earthly run
We saw You through her works
May you receive her with a "Well done!"*
