“ *My deepest sympathy and condolences to the family of Mrs. Robinson, especially to Sonja and Pearl who I know. Years ago, I worked with Mrs. Robinson at Master Cleaners on Vine as a teenager - and she had an incredible, positive influence on my life as a teenage boy trying to become a man. I contribute much of my success in Houston to her, as she was such a positive role model. She was always a gracious lady- incredibly kind, very spiritual, always sophisticated, yet motherly to all who met her. There is no doubt that I was not the only young person whose life has been made better because of her presence in it. God Bless.*
