“ I am only just now finding out about the passing of my dear friend. My heartfelt condolences to his children. Russ andbi met in the 90's and lost track until 2024, by chance we ran into each other again. He didn't change much still a great guy who'd take the shirts off his back for just about anyone in need, Russ was very humble with a good demeanor pleasure to hangout with. I already miss the times we'd hit the machines. If I got you got, my friend. Split it 50/50... I am very sorry to hear that he has passed. Too young to leave so soon my friend. Just know that you are missed by many and defiantly loved by all who truly knew you. Rest in paradise my friend, until we meet again. I love and miss you, my friend.
