“ My Dear Sweet Sandra,

Words could never truly express how I feel now. I'm sorrowful and yet joyful because I'm missing you so. I know I won't have those precious loving conversations, won't get to see your face, or here you laugh but I do find comfort knowing you belong to God and you're present with Jesus. You have been so much to so many, your cup was emptied out to us all and it was time for you to go. Now you have no more worries, heart brakes, or pain & sorrow for now you're experiencing nothing but JOY! I will be there for Tequeia and the crew in any way I can. Thanks for all the love you gave to us all! Tell all our love ones who have gone on to glory Hello & I Love Them :) I LOVE YOU SO VERY MUCH & I'LL SEE YOU LATER.

“ *San I am truly lost for words and still in complete shock of your passing. I didn't worry about you much bc I knew the kind of faith you had that you were ready for that battle and all was well. “ -How I will miss my dear friend of many, many years, she was one of the most loving, caring, beautiful and selfless women I have ever met in my life...Ms. Pitre was my classroom mate for 12 yrs and in those years the times we shared with students, coworkers, personal talks, prayers, family, laughs, cries and so much more will be a staple in my life for all time. She was a friend like no other and I don't know that I will ever find the words to describe the bond we shared...I want to thank her for teaching me a lot of life lessons and for her giving me undeniable encouragement when I needed it. I will always remember our laughter when she would say "O they playing my record turn that up" and her pride showed through when I told her I made my first gumbo after she gave me the directions. I could go on for days about my friend...I love you beyond measure and shall never go a day without thinking of you....For the love she had for her daughter, son in law, grandsons and entire family will be something I carry with me forever and I can only hope to leave the same loving impressions on my own family as she has done for hers.... This Earth lost an impeccable, spiritual, graceful woman and I know she is watching us from above. Let your bright light shine on forever Ms. Pitre, for my heart will never be the same.

All my love, sympathy and condolences to all of her family, friends and people she touched throughout her spirited life...Rest my friend... Love, Belinda Wimberley

“ I subbed at Grand Coteau Elementary several times between 2004 and 2012. I remember her fondly as the “Candy Lady.” At recess she would roll her candy cart out and the children were so happy to see her. She was such a sweet, caring person, always giving of her time and talents. May she Rest In Peace. Karen R. Olivier
