“ My heart truly aches with immense sadness at the loss of my dear friend. It is hard to express the void that her absence leaves. I will certainly cherish the countless memories we made together. Her kindness, laughter and unwavering, selfless acts of love and support meant more than I can ever say. Although I will miss her, I am also filled with gratitude for the beautiful friendship we shared. Lisa and I will always hold on to the good times we had and the memories we made. Your light will forever shine in our hearts. Rest in peace, my dear "Beckee." I'll see you "on the other side." Sending love and support to Kenneth, Chass, Katie, Des, Linda, Lou, Ran, the grandchildren and all who are grieving this unfortunate loss; for we know that "earth has no sorrow, that Heaven cannot heal."
