“ *I'm really still in shock and sadden but your passing. I really pray your family find solace in knowing the life you lived here on earth. May your babies no matter how young never forget your presence. I just can't believe you were just hyping me up about my move to NY and then this. Only God knows why he chose you! You will be missed* 🍀

“ *Shaniqua, I remember the beautiful young lady you were in 2nd grade when you walked into my classroom. You never lost that beauty.....and you never lost being kind to everyone you met. Our paths crossed about 8 months ago and you were still the happy, joyful, and beautiful person that I met 25 years ago. RIP beautiful Angel!* ❤️🙏❤️

“ *Neeki, I remember you taking me in as family without question when I met you. You would always be there with my dad when I got off the plane. I tagged along wherever you went, you were magnetic and touched people just by being yourself. Never a dull moment when we were together, you were truly a beautiful, magnetic person. I will cherish every single laugh we shared, every smile in my head I have of you, every yoga session taught by you, every night we stayed up late cracking up. Those are the memories I'll hold on to forever.*
