“ So as I was driving to work today Kirk Franklin's "Imagine Me" song came on. I smiled and cried at the same time. I knew it was Shawn tell me he is ok I love you very much I know God wrapped you in his arms and welcomed you with open arms. You were the best brother in law anyone could ask for. You and the Eaglin boys always welcomed me and included me in everything. My favorite memory has to be at Keefer and I's wedding when you were getting down with Asia (Tootie) and Kiyra. Will always be precious to me. I love you dearly and you will Truly be missed. Fly Angel and be at Peace. Love you!

“ One memory that always comes to mind was when we were very young, I was around 6, Daniel 8 and Shawn, 4. We were laying down taking a nap. Suddenly Daniel woke saying Charlene look I see a ghost. I was like yeah right. He said I'm serious look, and sure enough a spirit was floating towards us. Man did we cover our heads so quick and when I tried to cover Shawn's head he was like noooo I want to see....lol. Let's just say we never slept in that room again. We were just talking about this incident not so long ago. So many beautiful memories Shawn. No more pain and sorrow, spread your wings cousin, you are FREE!!! Love you always..Charlene
