“ *We the Tezeno family is saddened to hear of Sheila's passing. I know this has brought nothing but sadness to all of you, and I hope you know that there are so many people around that are praying for you.*

Aunt Clara and Uncle Alton, I know each of you are mourning, but I hope you will also rely on one another to get you through this. No one knew Sheila better, so sharing stories and memories with each other can only help. It might be painful at first, but as the days go by, the pain will begin to heal. Please, please do not hesitate to call, we are here if you need us.

Warm regards, Annie & Sidney Tezeno & Family
