“ *Shelia was a very close cousin. There are so many memories of growing up together . I can recall all the Sundays we spent together. How can one forget all the times our parents prepared meals that we enjoyed as two large families. I enjoyed visiting with her after she moved out of her parents house and took care of her children. It was an honor to be asked by her to be Tikia's Nanny. Shelia will always be remembered as a caring cousin who put others before herself. She was very dedicated to her parents , brothers , children , and grandchildren. Shelia will be forever remembered as a close and loving cousin. To her loving children ,grand children, and brothers know that she will forever be close in my heart .*
