“ *She was an awesome educator. I am the person I am today, because of her desire to see one succeed. She molded me, pushed me, encouraged me, taught me, & showed genuine love as an educator. She always talked about her grandbaby. She will indeed be missed and a jewel has been taken from our earthly jewelry box to join GODS jewelry chest. Rest on with the king Mrs. Mumphord. If no one has ever told you thank you for impacting this life in ways unknown. See you in GODS morning!!*

“ My condolences and prayers goes out to the family. Mrs. Mumphord was a very loving and sweet person, she was someone that I adored ever since Junior High School. You could not ask for a better person, she was like a second mom to me. We talked frequently, either she called me or I called her and now my heart is saddened because I will miss her dearly.
And to the her dear family you all will forever be in my prayers.
