“ *Shirley Jordan - My Friend and Classmate at St. Peter Claver High (SPC) was always the most straight forward and down to earth person I knew. Very quite demeanor person however when she told you something she meant it and you could "take that to the bank..." It is with a saddened heart that I say good by to my Friend. I Pray The Peace of Christ Jesus unto all Family & friends. i know she would Pray the same for all being of Very Strong Catholic?Christian Faith as she was... Good bye Friend, may you Rest In Internal Peace... Clyde Smith*

“ *My Dearest Cousin Shirley. through the years we kept in touch, but I will never forgot the time we spent with your Dad, your Mom, and Betty when we visited and we had some good times. I was always happy to see you especially our love for playing cards with the family. I was recovering from a procedure when I found out you were back in the hospital. I wanted to call, but they told me you were not doing good, so the day you died we were coming to Bellevue when your brother called us and said for us not to come because you had just past and he was on his way to Lafayette. I was very sad mainly because I didn't get a chance to see your smiling face before you went to be with the Lord. Rest in Peace My Dearest Cousin.*

Our deepest sympathy, Juanita, Jamie, and Denella Richard

“ I remember the first time I met Aunt Tuts. She was the most “realest” Aunt I have ever known. She was the epitome of “keeping it real”. I loved her from that day onwards. She would call just to see how me and my mom were doing. I felt closer to her than my own family. She will be missed...but I will see her again. Love you always and I am forever thankful to God for putting you in my path. ❤️🙏

“ My Dear friend, there is so much that can be said about our 40 years of friendship. I am sad about your passing but I know that you've seen your share of illness and now you will no longer suffer. I will truly miss you. We always spent our conversations talking about family and reminiscing about our years at North Elem. RIP my friend and I will be here for Hazel right along with your family. Love you my friend and I'll see you later. ❤️❤️❤️.
