“ Mom, I will miss you tremendously! Thank you for being a very kind person and mother and ALWAYS giving me the strength that I needed. You were ALWAYS a mother of faith and NEVER questioned your GOD. I watched as you helped people and sacrificed your own life. You ALWAYS gave more than you should have BUT it made you happy and I stopped questioning your decisions after many years. During my last conversation with you before your fall, I told you that I love you. You said that you love me too and you love ALL of your children. That is who you were. I WILL MISS YOU MOM!

Mrs. Sovelia was a big part of my life. She worked for my parents for more than 25 years and we loved her. I've known her since I was a baby and helped raise me. She will always hold a special place in my heart. Rest In Peace, Mrs. Sovelia.

I was sorry to see this obituary. Mrs. Souvelia helped our Aunt, Mrs. Stafford Fuselier. She was a very good person and loving person. I have often thought of her and wondered if she was still living across James Stephens School. I had visited with her a few times. She was a beautiful lady.
