“ Craig, Andria, and Stacy: "You all have my deepest Sympathy and Prayers in your time of bereavement and loss of your brother. As a product of the Frlot Cove Community, I remember Terrell and your Parents oh so well. I was shocked and deeply saddened when my Sister called me with news of his passing. I know your hearts are full and heavy with sadness as I know what it feels like to lose a brother. It's never easy and hurts deeply but in time it will get better. Just hold on to the many fond memories, laughter, and times you were blessed to create and share. God is with you all and is the only one who can heal the hurt."
