“ *When you read about someone so young dying you wonder, Why? The Bible gives us hope. In fact the Bible assures us that we can find "comfort from the scriptures."-Romans 15:4. The Bible says at John 5:28,29 "there is going to be a resurrection." All those who had the opportunity to learn about Jehovah God and those who did not get an opportunity to learn will be included. Tevin have this hope of living again in paradise on earth where "death will be no more."- Revelation 21:4 When someone we love die it is very important that we learn what we need to do to be there when they receive life again.*
