“ I was saddened when I came back in town and heard about Thad's death. He was a very considerate neighbor. He helped my brothers clear the tree off my house after the hurricane. He always offered his help as a good neighbor would. I will miss our conversations in the driveway. He was a kind, gentle soul. I offer my prayers of strength and comfort to his family.

“ I will always remember Thaddaeus as a happy person who always made people laugh. He would always come in my classroom at OC and talk with me and clown around. I would call him Duke but he would say my name is Thaddaeus. RIP Thaddaeus. I got it right this time.
