“ *My Dearest Friend who was like a big sister - I will miss you.....*

If every thought I had of you were a shining star, the night would be as bright as day! LOL... "In confrontation between the stream and the rock, the stream always wins - not through strength but by perseverance". You were always like the stream....I also feel like a winner, because your love and friendship was unconditional!

You taught me how to overlook your broken fences and admire the flowers in your garden. My friend, I will hold on to the memories and never forget our time together..

To Juan, Shaun, Telaza, Michael and your children - God is always in your corner at a time like this - and so am I.

“ *After reading about your recent loss, I would like to send my condolences to the Frank family. I am also moved to write you a message of comfort and hope. Almighty God has made the loving provision for a resurrection, so that you can see Ms. Theresa again. You can read about this hope that Jesus talked about at John Chapter 5:28-29 in your Holy Bible.*
