“ *Aunt Vester, I send my heartfelt sympathy to you and our entire family. Another link is now broken but we know she is so happy to be with Genel& Johnathan. I can only imagine the celebration they're having together with all the family members gone before them. I will truly miss my Godmother "Sis" but even I know her heart is at peace now. My prayers will be offered up daily to keep us all strong until we meet again and the circle will again be unbroken. To all her sibilings remember the good times shared over the years and when you awake she'll be the morning dew you feel at your feet and the sun shining down on your faces. The chirping birds you hear will be her soft spoken voice. Love From all of us.*
