“ Sis, I can't work or go to sleep without thinking about you. Running around OHS not even knowing you were my sister, and that taught what friendship was. However, today I realized we have have to show and share with our families, friends, etc..., that living for one another is so much bigger. For that baby Sis, you have taught me life's greatest lesson. Fly high my Angel...

My beloved niece as you always was seen in my eyes and will always be, your beauty of your heart and soul will never be forgotten. Your wings were given to you by our Father above to set your soul free I know that you will to continue to watch over all of us forever.
Love you always
