“ *To this young man family I don't know you all personally but to his mother I Just want you to know that weeping may endure for a night but joy comes in the morning don't know when you're joy going to come but I promise you that it will come Just Know that the God Whom we serve is too wise to make a mistake I know that it is very hard accept such an horrific death as this but know that God will never put more on you then you can bear*
