Treasur's parents was blessed with almost three hours with Treasur , before she went to her heavenly home. Treasur experienced holding hands with her mommy and daddy , hugs and kisses from her two grandmothers , listening to mommy and daddy call out her name and being told " I love you" and uncountable amount of times.

Treasur is deeply loved by her daddy and mommy, her grand-parents, great-grandparents , her uncles and aunt , her cousins, great aunts and uncles and many others. Treasur will always remain her parents precious baby and if love enough could have kept her she would still be here. They will hold her again in heaven one day.

“ Although I never met this precious little angel nor her heart-broken family (especially her parents), I pray for comfort that only the Father above can offer. May He wrap His give you all peace, love & comfort.
