“ *I just wanted to let you that you all are in my prayers. Your mom meant so much to me and I really wish I could have come for the funeral. I visited her in the hospital, but due to a blood clot, I was not able to travel home for the funeral. I will deeply miss her.*

“ *She is only resting. She will always be with thee. She is with the Lord. She no longer has the physical pain. She has new body; not made of this earthly flesh. She is having good time. You can still talk her. She is soul traveling. There will be many moments you'll feel her presence. She would not come back; she is on the other side with the Lord. Talk to her; she'll here you.  
God is with thee.
