“ Valeria took care of me as an infant up until I went to 1st grade & would take me to her home to have meals & play with the other children in her neighborhood in Opelousas. She always served me the best ice cream.

She helped my mother in so many ways & I always enjoyed our conversations over the years. God Bless Her & May She Rest In Peace with our Lord Jesus.

“ My grandmother helped so many people in her life, and I'm very fortunate to have had my grandmother for 41 years. This by far is the hardest to accept. I love you and miss you grandmother.
