“ I hate that I won't be able to attend the services for Valerie, but I want you all to know that I will be there in spirit. Valerie fought a good fight and it was time for her to pick up her tent and join the Father. She is eternally healed now and resting safe in His arms. Trina...although we are not "blood related" you are my sister and I love you girl. To Ms. Gwen and Bernard... I love you guys too and I know it is hard right now, but we serve an awesome God who can get us through anything, please remember that.
