“ *Van was a colleague to everyone at AT&T. He was always helpful, courteous, and friendly to everyone who called on him for help. That was a difficult thing for a lot of us to pull off in the AT&T work environment but Van did it effortlessly. He was pleasure to be around. I know he will be dearly missed as there is no one there who can come close to replacing him and his charm.*

“ *I am so sorry for your family's loss. I worked with Van for about ten years at BellSouth/AT&T and became good friends with him on the job. He was by far one of the NICEST human beings I have ever met in my life. It was a pleasure to work with him. He was always eager to help and always went the extra step to make others job's easier. A true professional that knew his job inside and out. As I sit here today, I am proud to say that not only was Van my co-worker but, Van was my FRIEND as well. I will miss him for sure.*

I never once thought when I spoke to Van and D'Etta 2weeks ago that would be the last time. He was the most easy going person I worked with. It always feels like loosing family when you loose a co-worker. My 1st on the job training was in the office with him in. Opelousas.. I will always member him. D'Etta and family you have my deepest sympathy.

Van was a coworker at the new att. I have rarely met a person who was more even tempered, it seems that nothing got to him. Even at stressful times at the new att, nothing seemed to get to him. It is an attribute I wish to copy. When I needed help in a strange office, he was a phone call away, and his response was always "Oh-yeah that is over by the etc..." I will miss the man!

Van Landreaux was a friend and former teammate of mine in both football and baseball at Compton Senior High School in Compton, California. Even though, I had not seen Van in many years, I was shocked to hear of his passing. His sister, Cynthia, is a very dear friend of mine and whenever I would speak to her, I would always ask about the entire family. She always told me that Van was doing fine!

So, when Cynthia called to inform me of Van's passing, I was totally numb and stunned. Like all of his brothers in the family, he was an outstanding athlete in both football (Quarterback) and baseball (Shortstop). He was also very competitive which was a strong Landreaux family trait and always showed great leadership qualities on and off the athletic field!!

I will sincerely miss him very much because sports teammates are like family in many ways. You learn to work together and respect one another. There was no other player that earned more respect on our high school teams, than Van Landreaux!!!

R.I.P. my brother ... And may God continue to bless your entire family. I Love You, Johnny Thompson - Class of '65.
