“ *RIP Vanessa. To Yolanda and the family of Vanessa May. I extend my heartfelt sympathy. We were former neighbors, and good friends. I was Vanessa's former teacher. Although I haven't seen you all for a while I still remember our friendship. God bless you as your family experience the loss of your love one.*

“ *Venessa is my close friend. I have been knowing her for many years now . She has a unique spirit like no other I know. By that I mean, she made people laugh even though she didn't mean for you to laugh, her gestures were unique and funny sometimes, and most of all her thirst for sobriety and fellowship has shown through the years up until now. She is gone , I will truly miss her. Special hugs to you Vanessa!!!! May you rest in peace forever!!*
