“ Share a memory.... I will. I actually remember the first time that I met her. It was the Christmas holidays and my first visit with the family. Gifts were being exchanged and she had one for me too. It made me feel welcomed. That was one of her many beautiful traits, thoughtfulness. May her soul and the souls of all our dearly departed, rest in peace with our Lord and Savior, Jesus Christ.

“ My prayers are with you all. 🙏 Wanda, Sandra, Dwayne, Lynn, and Bea, your parents are beautiful people with the sweetest spirits. They are/were always positive. I remember the many visits made to my grandparents house. They always found time to talk to the children.. Aunt Jane was such a sweet person. When my grandmother died we could not bury her because it was storming too bad. Aunt Jane said make sure you all call us when you are able to bury her. My grandfather Earl Lemon, Uncle Ralph's brother had been deceased, but they always kept in touch with our family. They came to the graveside when we were able to bury her. When I went to hug and thank them for coming, Aunt Jane said, "We Family, we support each other"! She was truly a remarkable person. Love always..Michelle Auzenne Greene
