“ Vertna was my baby sister, who have me a rough time when we were kids. She was spoiled by my mom and brother Shorty (Jim). No matter what we did, good or bad, it was my fault. I will miss our times together and memories shared. Thank God the days of suffering is over. What a trooper! Rest in peace, Baby Girl! Enola

Prayers going out to the Rougeau and Frank Family.
May you find peace in knowing that she was greeted by our ancestors, and by our Lord and Savior, Jesus Christ. She is receiving so much love right now by our Heavenly Father God. And she would want everyone to know that. No more suffering with sickness and disease. We'll never know how much pain and discomfort she really endured daily while putting on a brave face as mother's often do. But we must give God the glory because she had a good life, in spite of it all. A beautiful family that loved her, a successful business, and the list goes on. Praise God. You will see her again, in Heaven. I had to realize this when I buried my mother in 2015.
God bless everyone! (www.griefshare.com)

May the LORD grant the family his PEACE and COMFORT at this difficult time in your life. You have her lovely memories as solace for you grief. Let us not forget that all things from earth must return home to the lord. We enjoyed her stay which was too brief but we will try and understand. 'Dear Lord, THY WILL BE DONE!'
