“ It’s really unbelievable that your gone Grandee. I miss you so much. We were just having a great conversation Saturday and then you left Sunday. At least all the pain is over and your in a much better place getting the rest you truly deserve. I wil miss all the memories we had together but I will never forget them! You said you wanted to see me “buss butt” on the field ,now trust and believe I will and you will be watching me while your up there in Heaven where we are trying to make it . Love you Grandee and i will never let you down. Like you told me to be a man that keeps his word i will surely do it . ❤️❤️❤️
