“ Lord, Lord, Wanda Faye, as I called you, and you called me Brenda Gail. We were a Greenwoods family . You were as close as sisters You were my first friend, and my best friend. We would walk to J.H. Augustus every school morning aiming with Michael, my brothers , Joann , Andrew, Buster, Pudding, Donald, We were either at your house or we were at mines , You n I would watch our Greenwood guys play ball across the street from my house in the empty lot . Weekends and as we got older, we would take long walks on Saturday and , after church on Sundays we'd walk to the north park, n watched n visit our classmates. We'd visit our Teachers homes, n friends as well . We were road warriors . But we had to be back home before dark, n before street lights came on . Girl we'd scuffle on down those roads to make it back on time . I even remember making ropes with the clover flowers talking about the cute boys.. I really missed you when y'all moved away. You'd visit when you came n visited your greenwood family. You were my one true friend, . Girl!!! I remember when Keelee wanted to follow us n we'd have to sneak out y'all yard before she saw us. Shame on us. You'd say no, nope, she'll tell everywhere we go, n everything we did . Sorry Keelee.. we were protecting you 😊😭. Anyway I could go on and on., I'll. say this , You left too soon. We were suppose to visit at least one more time. We were family. You even shared my mom's birthday, August 31st. And Your Mom had Charlotte the same week I lost my first child.. Any old way... Thanks for being the sister I never had... To Keelee, David, Pudgi, and all of my extended siblings in Love, and to Louis , "the Snappy Dresser in high school..😭 Thank you for coming into her life. Im so glad God placed you two together because Wanda Faye was so happy, and you enabled her to enjoy all the wonderful trips to places she had never been . She has told me at least you traveled ., Girl you've traveled more than I and better places. I would see the pics of your travels and smile. Girl, You made it. God Blessed you so Good with Louis., I m in deep sorrow n cries everyday for hours. I would have given anything for one final visit with you. I give my Deepest Prayers and Condolences to you

all. May Almighty God Bless you all with Comforting and Strengthening Grace to aid you all in a time such as this. Rest in Heavenly Peace Wanda Faye, My Partner in crime, My sister. My Bestie,, I'm so sorry, I didn't stay in touch more, Just one more visit, before you left us. Girl come visit, as my mom. We see heart, even in water puddles or anything forms a heart for us to see, Dad makes pennies pop up in middle of floor n no one dropped it or after you've cleaned floors.. So do like them, send a clue you visited,...but. Above All.. Rest in your Heavenly Peace. 💔🙏🙏🙏
