“ *I will always remember Warren (Uncle Pop's Son) for being a compassionate Guy. When I was little, He would always come to check on me, bring me treats and just to tell me He, (my big Cousin) was thinking of me and that He cared about me alot. He done that quite often when I was a child. I recently told him a conversation how much that meant to me as a child. He and my Dad is 1st Cousins! I will always love him and He will never be forgotten.
Love, Your little Cousin

“ *We, the Barnes family, were next door neighbors and we grew up together. We were very close as children until we grew up and all moved away. Even though we didn't get to see each other on a regular basis, Warren would still keep in touch. I will always remember his laugh and his sly remarks. He will truly be missed.*

To his immediate family, please expect my condolences and know that I am so sorry for your loss.
