“ My deepest and most sincere condolences to my Aunties, and cousins for the loss of my favorite Uncle. He has blessed me with so many memories and quotes that I will always hold deep in my heart. From riding in the back of his truck, taking my brother, Pop, and me fishing, when I was a little boy, to taking me on “the hill” as an adult to introduce me to friends. The things he would say either gave you wisdom or made you laugh hysterically, sometimes both. I could go on and on I loved him tremendously and he has been and will always be missed. I’m so blessed to have had him in my life, so blessed to have been able to spend time and see him since my move to Texas. Thank You Jesus for that blessing. Forever in my heart, Aunties and cousins I love you all and until my last day will always be there for you all. Greg
