“ *The family has my sympathy during this time. I have been comforted by the Bible's promise and would like to share it with you. Soon Jesus will bring our dead loved ones back to life on a paradise earth. Then death will be a thing of the past, and tears of sorrow will turn into tears of joy(John 5:28,29; Psalm 37:29; Revelation 21:4).*

“ To my Sister - Your pain is my pain. I thank God for allowing me to share this Earth with such a wonderful human being. I will never forget our talks and will forever cherish his encouraging words. It was the simple things in life that he constantly reminded us - do your best, don't let the small things bother you, never be ashamed of your success and accomplishments, but most of all...his love for me, Calvin and the girls. Mourning, but celebrating a beautiful life.
