“ *My condolences to his family
I have known Wilbert for about 4 years.
We have worked together on 2 different live aboard dredges,so I
have seen the hard working side and the easy going playful
personality Wilbert is a great guy and if I wasn't feeling like
myself he could always say something to lift my spirits.He is one of
the best deck mates I ever had the privilege of working with. In the
type of work we do you develop a brotherhood.he is my dredging
brother,union brother but most of all we are Louisiana brothers...he
will be deeply missed*
