I would like to extend my deepest sympathy to you all at this time!
Blessings, peace, strength and comfort to you all during your hour
of bereavement. May the God of our salvation strengthen you all in
the days ahead. Will was a good guy that was very quiet and hard
working. May his soul rest in the bosom of Abraham!

“ *Days of long ago seem so near and yet so far, but I cannot remember many days that we Happy Few, were not together. No matter when I came home for a visit, William always stopped by to reminisce about the good ole days. As I came to town this time, he passed me on the road and waved, and as usual I just knew he'd come by later... however this time that wave ended up being a final Farewell. "If I had only known..." Really gonna miss you my brother!*
