We all loved you as though you were our Uncle you gave us all respect and you would always give a helping hand when my Daddy and Mom needed you to work on their automobiles you just had the gift to fix and operate any kind of cars . You were with us on My niece Page Birthday Party and you changed her oil and you sing just liked One of the guys on the Temptation you had a very wonderful voice you and most of your brothers. You will be greatly missed by all of us . you were one of a kind you greeted all of your cousins when you would see us .
