“ Sending my deepest condolences to the Lee family. Cousin!! (as we would address one another). You snuck this one on me. I this phone call was the last thing I expected to hear. I can't wrap my head around the fact that you're gone. You will truly be missed. I get comfort in knowing you're with your parents and Dennis. All of our talks would be about our family and our childhood memories as kids. Rest easy cousin rest easy.
