“ To my girl loyce well sugarmomma is gone but never will be forgotten. She was the rock in our lives and the most funnies person in our life. Well you know that if she was alive she would have wanted us to do everything we would do if she was still here on earth with us. Don't forget u can't go to walMart by yourself when it is dark. So lets not stop doing all the things that we use to do. With love and kisses Jackie (duckbutt), Kayla and Ga'Marcus
