“ *My thoughts are with your family. In the bible we find comfort. In Psalms 45:18 "Jehovah is near to those broken at heart and those crushed in spirit He saves."*

“ *The Auzenne family would like to let the Stelly family know that your family will always be in our prayers and you all have our deepest sympathy. (this is from Cleveland and Queen (Penny)Auzenne's family, Brandy's aunt and uncle). But personally to Dewayne and Brandy, John and I(cousin Cathy) are praying for you in this time of healing, I don't know what your going through but I can only imagine that it's hard, John knows that feeling of losing his father, our triplet and our son within 6mths. I know all of the personal struggles you guys have been through in the past years from losing our beloved Kendrick, losing some of DeWayne's family members and some of Brandy's family members too. Brandy and DeWayne, you guys were there for John and I when we lost our beloved son Landon, and we want to thank you for that special phone call, your words helped us in that time, knowing that it was even harder on you making that call to us because of the lost you suffered years earlier... we want to let you guys know that we will keep you guys forever in our hearts and prayers! Love you all!*
