“*Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord.*” 1Thessalonians 4:17 NKJV

Some relatives feel closer than cousins; I am certain that everyone in our family would agree... We have beautiful memories from childhood to adulthood that we cherish. We know that Wyndell and his beautiful family are all together; in a place where they will have eternal happiness and peace.

To Ms. Ollie, Billy, and all family, we offer our deepest sympathy. We wish to end with these comforting words, written by Roy Lessin:

"Although the time of remembering our loved one's passing always tugs at our heart, the assurance of their joys in heaven helps us to move on with comfort and a confident hope that we will see each other again." Pattie Parrish and son Chris; Yolanda Parrish and son Westle (pronounced Wesley)

“ My sincere thoughts are with the Greene Family. I had the distinct pleasure and honor to teach Wyndell at Grambling State University in the High Ability Program during the Summer of 1992. He was a scholar and a gentleman. Billy and I shared the same dorm during my tenure at GSU. May Wyndell rest in peace.

“ *To The Greene Family:
I'm so sorry for your loss. I pray that God will give you all strength during this time of bereavement.
I was the Secretary in the Economics Department when Wyndell and William was in school at GSU. I'm still working in the Economics Dept. Wyndell was a wonderful and respectable man. I saw him a few years ago. He was so happy and had a big smile on his face. William I know that it is hard, but I pray that you will be strong for your mom.
He will be missed.
